Recently graduated from the Full Stack Web Developer Bootcamp at University of Sydney in partnership with edX.

My goals are to gain experience, further develop my coding skills and acquire new expertise through my hard work.

I have strong problem-solving skills and an analytic mind. I am organised and methodical which leads me to be able to meet timelines and goals both in my professional and personal life. I am responsible and committed, also, cheerful, social and easy going.

Skill and proficiencies:

- JavaScript, HTML, CSS, jQuery, Nodej.s, Express.js, Third party & RESTful API's, MVC, SQL & Sequelize, noSQL(mongoDB & Mongoose), React, GraphQL, PWA Bootstrap & AntD, Responsive Design, Handlebar.
- Software and web development following version control and a collaborative workframe. Github, Visual Studio Code.
- Teamwork, multitasking, attention to detail, methodic.

Education:

- **Full Stack Web Developer. University of Sydney.**
- General PRactitioner Certificate in Exotic Animal practice.
- Bachelor of Veterinary Science. University of Las Palmas Of Gran Canaria. Spain.

Professional Experience:

- Disability support worker, Nurse Next Door 2023-current.
- Team Leader SIL accommodation, Headway ABI Australia 2021-2023.
- The Bavarian Supervisor-Front staff member 2020-2021.
- PRABEN CIA Manager 2019.
